We dedicate this yearbook to Phyllis Travis for her outstanding contribution as Registrar of Mitchell Community College.

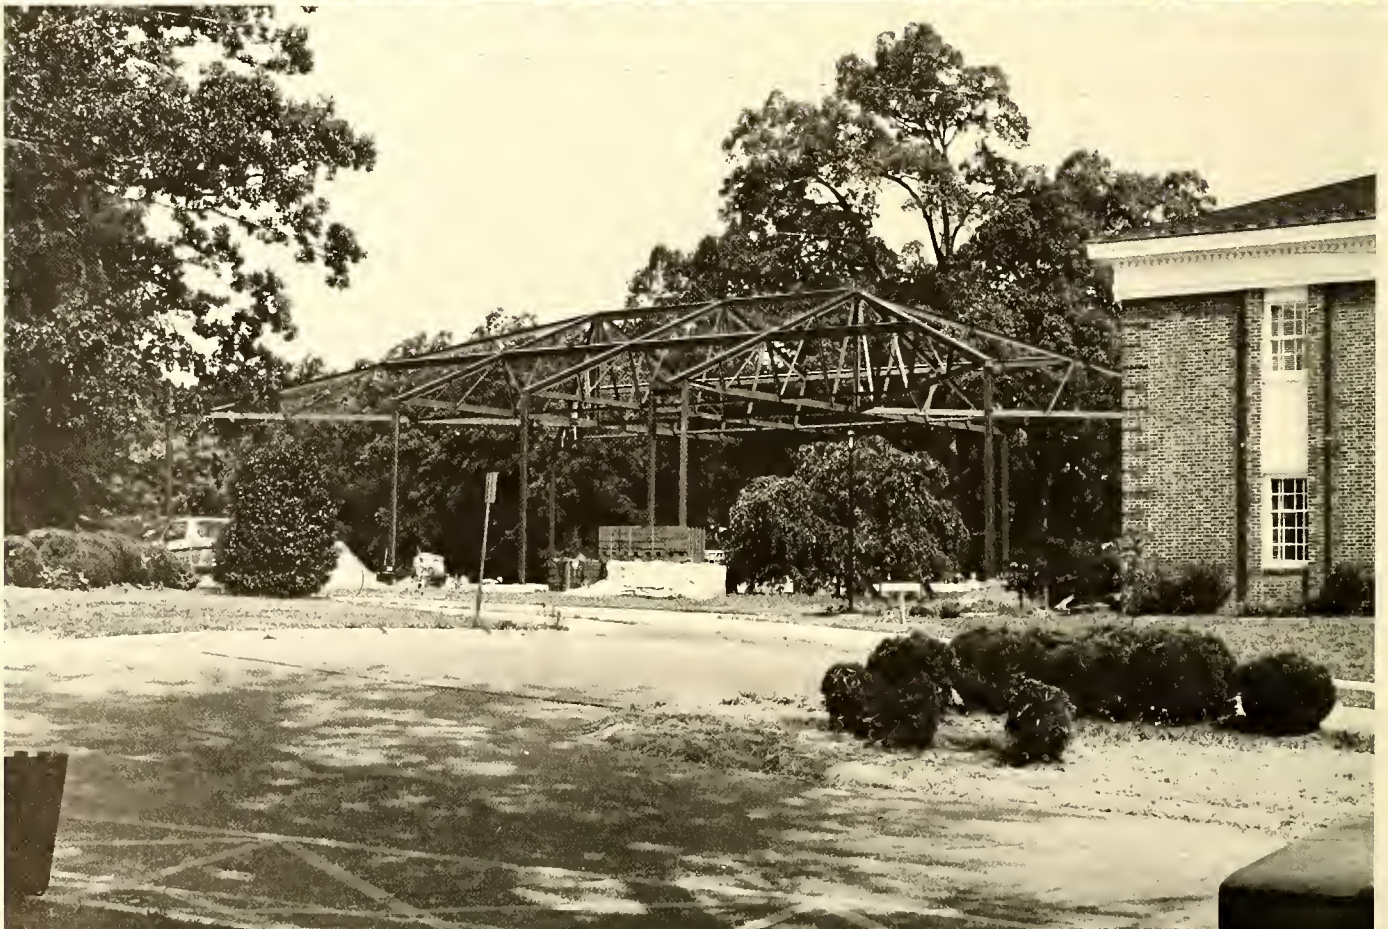

This book is dedicated to Phyllis Travis because of her warm personality, her firm dedication to this school, and for her keen knowledge and memory of Mitchell students. It is people like her who make this school what it is.

I congratulate you, Mrs. Travis, for your fine work.

The image shows a blue book cover with a black geometric border. The border consists of a thick black line that forms a large rectangle, with a smaller rectangle cut out of the top-left corner and another smaller rectangle cut out of the bottom-right corner. The word "SOPHOMORES" is printed in a black, serif, all-caps font in the center of the cover.

Completing this book has been no easy job for me. With a staff of two (a photographer, and a latecoming Business Manager), I was stuck with the whole book to do myself. This year has been a rough one for me with the book to do along with my many other responsibilities. With all this I can still praise God, for I know that all the experiences I go through are God's perfect will for my life. All I have to do is commit my life to the Lord in all aspects and trust Him to do what He wishes, even if it doesn't seem like the best thing for me. Just praise the Lord in all things!

I praise the Lord for Randy Billings who took most of the pictures, and Paul Price who helped to do a few odds and ends as well as take over the job of Business Manager. I would especially like to praise the Lord for my close friend Mark Fleming for being just that, a friend when I needed it most. May God bless them in all that they do!
